8	Making the setting feel like a fun and interesting atmosphere so the children don't even realise how much they're learning. Lots of varied activities to stimulate their interests. Lots of outside time. Great teamwork between the staff, and a great relationship between the staff and Committee. Really supportive of children's individual interests. Great at staying calm during exceptionally challenging times. They do everything well.	12/14/2021 5:21 PM

1	My daughter often comes home having not had her nappy changed. We are in the process of trying to commence potty training but I worry if we start this and staff are very busy she may have a lot of accidents. We don't often hear what Evie has been doing in the day so I have to try and work it out from what she tells me. I know it's difficult with a busy setting and COVID but an update on her progress every now and again would be great so I know she's getting on OK.	1/9/2022 5:41 PM
